X.MEDIAARCHITECTURE EXHIBITION 2015

An exhibition curated by students of the Bauhaus-Universität Weimar commemorates 10 years of the unique MediaArchitecture studies program and explores the development of the MediaArchitecture milieu. The exhibition explores the dynamic, interdisciplinary fields of media and architecture. It aims to show what MediaArchitecture is today, from where it evolved and what it can be in the future. It includes student's master's theses and semester projects, insights in alumni's working worlds, and information on the history, context, and core research areas form a diverse image of the field of MediaArchitecture.
